Sign 19: Keeping A Constant Watch

Serving
Wisdom

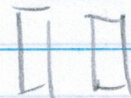

Heaven on
holding earth
Pooling
Water of Wisdom

} Guarding vs.
Over-extension

inside
Pooling
Water

outside
holding
earth

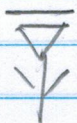

I am watching over a pool of fresh,
nourishing wisdom.

I am reflecting and I am sharing
without ever running out of water.

I am a lake of joy that is embracing
and preserving everyone without
considering anyone as being inside or
outside of my vision.

I am embracing people and
I am containing people's ideas -
like a lake being held together by the shore.

1 Timothy 4:6-16: If you give these
instructions... you will be a good
minister of Christ Jesus, NOURISHED ON THE WORDS

⚠ ... (and NOURISHED) of the sound teaching you have followed.

{ Avoid profane and silly myths. ~~✗~~
 ... let no one have contempt for your youth
 ... Do not neglect the gift you have

* Avoid placing your trust & faith in some silly myth

⚠ WATCH OVER (knowing {) the use and overextension of EVIL WISDOM! {

(you cannot guard against it if they are holding something SECRET from you +)

Jeremiah 19: ⚠ Go buy a potter's EARTHENWARE flask.

Take along some of the elders...
 proclaim the words...

{ '(God) (is going to allow the growth) (of such evil upon this place that...

because they have forsaken me...

building high places for BAAL to...

Break the flask... (God) will (allow the smashing of) this people... so that it cannot be repaired...

if the God of the people -
the wisdom and knowledge of God

or if the people are WORSHIPING A
FALSE SET of Gods

Then God's weakness allows &
the false gods strength creates

IRREPARABLE DAMAGE TO THE
community (of God's actual people)

Now we see that { has grown to
not be WATCHED over by good -

Evil is doing the WATCHING to keep
good people 'NAILED TO THE CROSS'

∇ { Servants of Evil

ARE WATCHING OVER

Those that are ∇ serving God's
wisdom; and

The ^{leading} evil

{ Guarding Against
the overreptitiousness
of earth's heavenly
yield

is eating the
trailing goodness

(GROWING ITSELF, FEEDING ITSELF
ON THE SLOWER PEOPLE of GOD)
